Where did the idea come from to write this book? What was your starting point? Amongst many questions I'm asked when I have a new book out, the above two are the most frequently asked. So I thought this time round I'd get ahead of the game and explain what set me off with my latest novel - The Real Katie Lavender. My

[book review the real katie lavender by erica james](#)

The reader is immediately pulled into the story. I wanted to know what would happen when the rest of the family discovered their connection to Katie, which the author, Erica James didnâ€™t disappoint me with. The shock of the revelation on Stirlingâ€™s wife and adult children pulls apart a family, already weakened by grief over the death of Neil and the feeling of betrayal by both men for ...
