[gothic revival architecture wikipedia](#)

Gothic Revival (also referred to as Victorian Gothic, neo-Gothic, or Gothick) is an architectural movement popular in the Western world that began in the late 1740s in England. Its momentum grew in the early 19th century, when increasingly serious and learned admirers of neo-Gothic styles sought to revive medieval Gothic architecture, in contrast to the neoclassical styles prevalent at the time.

[architectural design values wikipedia](#)

Architectural design values make up an important part of what influences architects and designers when they make their design decisions. However, architects and designers are not always influenced by the same values and intentions. Value and intentions differ between different architectural movements. It also differs between different schools of architecture and schools of design as well as ...
